

Pupil Premium Report - September 2016

The Pupil Premium is an allocation of additional funding provided to schools to support specific groups of children who are vulnerable to possible underachievement. These include pupils who are entitled to free school meals (FSM), those looked after by the local authority and children of armed service personnel. The intended effect of this funding is to accelerate progress and raise attainment.

It is for schools to decide how the Pupil Premium, allocated to schools, is spent since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged. For further information please visit <http://www.education.gov.uk/schools/pupilsupport/premium>

Our aims in deciding how to allocate Pupil Premium funding are:

- To accelerate progress and close the gap in the achievement of Pupil Premium children so that their progress compares favourably with non Pupil Premium children.
- To ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.
- To ensure that teaching and learning opportunities meet the needs of all of the pupils.
- To recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals.

In order for these pupils to make accelerated progress the school needs to ensure that they experience:

- Consistently Good or Outstanding teaching
- Stimulating learning opportunities
- Support from both Class Teachers, and additionally funded teachers to help move their learning on at an appropriate pace
- Learning opportunities out of the classroom e.g. Forest Schools and Residential trips
- Stimulating learning resources
- Learning without barriers e.g. through support from Learning Mentors when needed.

Pupil Premium report for the last Academic Year 2015-2016

Quality teaching is crucial to the progress and attainment made by all pupils, including those children who are in receipt of Pupil Premium. Research shows that schools can turn around the lives of disadvantaged children. The table below shows how we spent the pupil premium funding last year and the impact it had.

Strategy/Intervention used	Impact	Cost
<u>Additional Teaching</u>	One to one teaching was delivered by a qualified teacher and had a considerable impact on the children involved, their progress and attainment improved considerably. Pupil premium children alongside others identified children took part in mathematics intervention sessions taught by a qualified teacher. These pupils made good progress during the sessions.	Duncton Total = £3,841 Graffham Total = £4,768
<u>Music Tuition</u> Two children had the music service paid for using their PP funding.	The impact of these music sessions was seen through personal commitment from the children to practice and perform with their instruments. A parent commented on the 'huge difference' this had made to their child's self esteem.	Duncton £270 Graffham £210 Total = £480
<u>Extended Schools</u> Wrap around care has been put in place for our more vulnerable pupils, this includes a breakfast club and after school clubs.	This has resulted in an improved start to the school day for PP pupils whilst also supporting their families.	Duncton £807 Graffham £862 Total = £1,669
<u>Residential Visits/School Trips</u>	This has ensured these children do not miss out on additional school experiences	Duncton £580
		Total £11,338
