

Hannah Barter Foundation Governor

I joined as a governor in September 2014. I sit on the teaching & learning committee and I am also the Safe-Guarding governor.

I am currently a 'stay at home mother', with three children, two of which attend the federation schools.

I have experience in working with children and young people in social care settings and am currently studying for a BSc in health and social care (families' pathway).

In my spare time I enjoying keeping up to date with current affairs and politics. I also love walking in the beautiful west Sussex countryside.
