

Heather Brice

Chair of Staffing & Pay Committee

I was elected Parent Governor in March 2010 and in April 2014 became a Co-opted Governor. During this time I have served on all three of the Federation's committees and until October 2014 I was the governor responsible for safeguarding. Since January 2012 I have chaired the Staffing & Pay Committee.

My daughter 'graduated' from Year 6 last year.

I worked in business research and consultancy for many years before moving into the not-for-profit sector. Over the past 5 years I have worked in fundraising and am currently on contract with one of the UK's leading animal welfare charities. My focus is high value fundraising from major donors and charitable trusts.

My passions are animals, my garden and reading.
