

Liz Beadsley

Foundation Governor

I became a Foundation governor in April 2009, appointed by the Parish of Duncton, and have chaired the Finance & Premises Committee since 2010. I also spent 2 years as Vice Chair.

I am a Chartered Tax Adviser and now work for a law firm, based at their Chichester office, having previously worked in the accountancy profession for many years.

My daughter attended both Graffham and Duncton schools.

In my spare time I enjoy gardening, riding and fishing.
