

Marie Bracey

I was appointed community governor for the Federation in September 2009. I then took over as Local Authority Governor in 2014. I have been Chair of the Governing Body for the last four years. As Chair I sit on all the Governing Body committees. I am a retired primary school teacher and I enjoy gardening, good food, horse racing and walking my dog. I play tennis and in my younger days swam competitively. For many years I worked with the English Schools' Swimming Association organising major competitions. I have team managed the national schools' team at many major competitions.

I have been married to John for over 35 years and we have recently moved from Duncton to Graffham.
