

Revd. Michael Barter

I joined the governing body at Lavington Park officially in September 2014. I am on the staffing committee and as the local parish priest I lead collective worship in Graffham CE School weekly.

I am also Chaplain of Seaford College and teach RS from year 7 up to GCSE. Before I was ordained in 2007 I worked within a variety of social work settings, mainly with clients that faced homelessness and young offenders.

I have three children, the youngest of whom has just started in the reception year at Graffham.

In my spare time we enjoy walking the dogs as a family. I also have an avid interest in films and comic books and a passion for great coffee!
