

Sonja Smithers

I joined the Governing Body as a Parent Governor on the Staffing and Personnel Committee in January 2015. I currently have three children at Graffham and Duncton schools.

I enjoyed a career in advertising before starting a recruitment business 8 years ago - I still co-run this part time, along with doing the other bits and pieces that having three children entails. I have also Chaired the Graffham Nursery Committee for three years, and am on the Committee of the Lodsworth Garden club; I aspire to a beautiful garden and love my allotment, although both are sadly more often than not neglected!

Other things I don't have enough time for are Pilates, walking, photography and training our new dog, a Standard Schnauzer called Olaf.
