

## Sue Hill

I have two grandchildren in Graffham Nursery and Year 2 at Graffham School, and I help regularly with reading (or anything useful) in school.

Recently I have been asked to be a Foundation Governor and look forward to the term with enthusiasm.

I am a painter and have been Art Director for magazines in the 60's and 70's before having children. I then illustrated for newspapers for 15 years and painted to commission in England and France.

I live in Graffham , have a lifelong love of tennis and involvement with the church . I am also a PCC member. I adore gardening, and my boisterous dog Bertie.
