CPR and Defibrillator Training / Refresher at Duncton Village Hall

Tuesday 17th April at 7:00pm

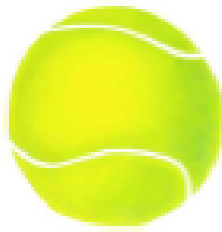

Practical training on CPR and the use of a defibrillator in a friendly environment.

The training will be very similar to last year's and will include information on when and how to perform CPR and how to use a defibrillator including the one at the Village Hall.

Paramedic Paul Eyre will give practical hands-on CPR training using a dummy, and everyone will have time to practice.

Come along on the evening, there is no need to book. Suitable as refresher training for those who attended last year and also first timers.

Everyone is welcome.
