Clerk to the Governors

I joined the Lavington Park federation as Clerk in May 2011. Prior to joining, I had been a Governor at Midhurst C of E Primary School for 5 years. For two of those years I was Chair of the Governors.

In addition to working part time for the Federation, I am also the Clerk for Northchapel Primary School.

My other employment consists of assisting an internationally renowned sculptor, and I am also the Administrator for a Debt Advice Charity.

In my spare time, I am the Vice Chair and Art Coordinator of the MADhurst Committee, organising events for this Music, Art and Drama Festival in Midhurst.
