Duncton Juniors:

Item/project	Cost	Objectives	Desired outcomes
Year 6 Nurture group to develop skills for transition to secondary school. This included working on specific areas of support for Mathematics.	Total £1,996	To enable the transition to secondary school to be as smooth as possible.	Both children were able to settle into their secondary schools well, feedback from schools and outside agencies. Both of these children met EXS in Mathematics at the end of their KS2 SATS following this support.
Year 6 to enable children to experience the same opportunities as their peers, eg,	Total £644	To enable the emotional wellbeing	Both children excelled at the outdoor and adventurous activities

residential experience, school lunches, trips to a variety of local opportunities.		of the child to be supported.	available on these experiences.
Play Therapy sessions to enhance opportunities for talk, improved mental health and the ability to discuss needs.	Total £1080	To enhance the mental wellbeing to support children following trauma in their lives.	Both children had play therapy separately and were supported by these sessions to enable them to talk more openly, understand their own needs and emotions. Both children appear more resilient and comfortable in school.
Specific teacher support sessions for all Pupil premium children to enable them to access all areas of the curriculum and be supported in the areas that their trackers show they need more development. Specific meetings with parents and PP teacher/manager to discuss needs across their curriculum and wellbeing.	Total support from 2 teachers- PP teacher and manager £6726	To enable these children to meet EXS in their RWM in their own year group.	3/4 children met their EXS in RWM. All children are showing more confidence in their learning and are supported in their wellbeing whilst at school.
Total expenditure Duncton:	£10,446
