

## Emma Vernon

My daughter started at Graffham in 2019, and in 2020 I joined the governing body of the Schools as a co-opted governor. As a solicitor working in risk in regulated financial services, I sit on the Finance and Premises Committee and am familiar with the support and challenge, as well as ongoing oversight, that a senior leadership team should receive. When not at work, I'm a keen runner, wannabe vegetable gardener and enjoy spending time outside with my family and friends.
