

Matthew Pitteway

I am currently Director of Boarding at Seaford College. Both of my children went to Graffham and then on to Duncton – so I have a lot of affinity with the schools and am delighted to be serving as Governor. Previously I have been a Governor at Stedham school – an experience I found very rewarding. As Church Warden in Graffham – my role is as a Foundation Governor at Graffham & Duncton and I hope to bring experience from my roles at Seaford as well as my Governor experience from Stedham.

I am also an ISI school inspector – and have a fairly extensive experience of inspecting independent schools and holding them to account.

Away from work I enjoy taking part in sports and spending time with my family at our house in the Lake District.
