

## **Dom De Lorenzo**

I joined as a Co-opted Governor in November 2017 when my daughter, Martha, was in Reception at Graffham, and I am a member of the Finance and Premises Committee and the Marketing Working Party. Martha is now at Duncton Junior School (if you ever wonder who is making the most noise in the playground, there is a very good chance that it will be her). I am retired but was previously CFO of a multinational beverage business; I am getting very good at getting in Becs' (my wife) way! In my spare time, I try to stay fit, something that seems to start anew every Monday.
