

Governor Vacancies at Lavington Park Federation

The Lavington Park Federation is comprised of Graffham CE Infant and Duncton CE Junior schools; small village schools that are right at the heart of their local communities. We are unique, small schools filled with curious minds, big hearts and happy voices. To find out why we are the first choice for many local parents, watch the introduction to our schools, here: <https://graffhamanddunton.w-sussex.sch.uk/>

We have the opportunity to add new members to our Governing Body. Our School Governors make a positive contribution to our children's education by offering supportive challenge to help develop the school strategy, raise standards and monitor resources effectively. Governors work as a team and come from a wide variety of backgrounds to add value to school life by offering their skills, expertise and time.

We would particularly like to speak to people who have experience in:

- **Finance / Accounting**
- **Human Resources**

Governors do not need any formal qualifications and an extensive programme of Governor training is available through West Sussex County Council. Governors must be aged 18 years and over.

This is a critical time for small, rural schools as education funding poses increasing challenges. Our Schools are facing these challenges head on, and we are proud of our forward-looking, strategic approach to ensuring the best education to the children in our care.

Being a Governor at Graffham Infants & Duncton Juniors is hugely rewarding. If you have a passion for improving the life chances of children and can offer supportive challenge to the leadership of our schools, please email to find out more: office@graffhaminfant.org.uk

We are happy to offer an informal chat to anyone who is interested in joining us. For more information have a look at the Governor page on our website <https://graffhamanddunton.w-sussex.sch.uk/our-governing-body>
