

## Home Learning - Year 1

These home learning activities are all based around core skills for year 1. Please get in touch with us on Dojo if you need any help with any of the home learning tasks. You can submit any work you complete at home onto Dojo through your pupil portfolio.

### Reading

Children read at school every day. This is so important for children to continue to do if they are home learning. If they do not have a book at home they can read then you can find an ebook on Oxford Owl <https://www.oxfordowl.co.uk/>

**class login: kingfisher class 1/2**

**password: Graffham**

### Phonics and spelling

Use Espresso <https://www.discoveryeducation.co.uk/> and login to Espresso.

**Login: student29268**

**Password: duncton**

Type in Phonics KS1 in the search bar, then select Phase 2/3 for revision and move up through the phases (see screen shot).

Choose any of the activities/videos/ in these sections.

There is also a list of spelling words children need to learn to spell by the end of year 1.

<https://home.oxfordowl.co.uk/english/primary-spelling/> and click on year 1 for the word list and other spelling activities.

### Maths

Use Espresso as above for Phonics. Click Maths on the home page. This takes you to a topic page and you can choose the areas you want to work on.

Number and Place Value and Addition and Subtraction include key core skills so please start with these.

BBC bitesize has some great number, shape and place value activities and top marks has number bonds games:

<https://www.bbc.co.uk/bitesize/tags/zjpqqp3/year-1-and-p2-lessons>

<https://www.topmarks.co.uk/maths-games/hit-the-button>

## Science

We are learning about Animals including humans. This includes identifying and naming a variety of common animals including fish, amphibians, reptiles, birds and mammals. It also includes describing and comparing the structure of these common animals and identifying and naming animals that are carnivores, herbivores and omnivores.

Log in to Espresso and click on Key Stage 1, then Science. The topic **Animals** is listed and includes a selection of activities, videos, fact files and printable resources. Have fun!

We are here to help you continue to learn from home. Please let us know if you need help with any of the home learning activities above.
