

## **Andrew Mills**

I have lived in Duncton for almost 20 years, and all 3 of my (now adult) children attended the school.

I work as Head of Legal for a major technology company with its largest office in West Sussex and am the Vice Chair of the Duncton Parish Council.

I have previously been a governor at another school and am really delighted to be able to join the Governing Body at Duncton and Graffham. Early years education is a really important part of the lives of our children and I look forward to contributing to and supporting the operation and development of Duncton and Graffham schools.
