15th May 2026

A reminder that our advert for a school chef will be closing soon. We are very excited about this opportunity as part of our move towards freshly prepared meals on site, supported by Chefs in Schools.

The role is for 5 hours per day, 5 days a week, working within school hours so it fits well around school runs. Full training will be provided through Chefs in Schools.

If you, or someone you know, may be interested in this role, please do get in touch with the school office for further information. Application forms are still available on our website or can be collected from the school office.
