A Storytelling Workshop for Children

This summer, drama teacher and theatre practitioner Vicky Paine is hosting an immersive, one-day storytelling workshop for children aged 7–11 at Mill Yard.

Through drama, movement, voice, improvisation and creative play, they'll work together to dream up characters, build worlds, and give their stories shape and voice within a supportive, encouraging environment.

Story Makers

A day for your child to play, create, and find their voice! Through interactive drama games and collaborative storytelling, children will dream up characters and worlds, then bring them to life together. The day ends with an informal sharing for parents and carers - a moment to see and celebrate what the group has created.

What children will take away:

- A spark for imagination and creative thinking
- Growing confidence in self-expression and communication
- Hands-on storytelling and performance skills
- Practice in teamwork, listening and collaboration

Above all, it's a safe and inclusive space where every child feels able to contribute and where a love of storytelling and creative play can grow!

meet vicky
